

FAMILY LAW COMMISSION -- PUBLIC INPUT GUIDELINES

In order to better understand the public input and be able to focus on the key concerns, we would appreciate all speakers using the following process:

WHAT

What is the Issue? In one sentence, state the issue.

HOW

How would you recommend we resolve the issue?
What changes need to take place?

WHY

Why is it important for the issue to be resolved?
Benefit of resolving the issue...

i.e.

WHAT is the issue?

*It is sometimes difficult for the FLC to determine the key issues from the public comments

HOW resolve the issue?

*Create a process for speakers to use

*Utilize a resource to help speakers understand the process and focus on main issues

WHY/BENEFIT

*Help FLC to better understand and respond to public concerns.

*Identify themes among speakers so FLC meetings focus on those themes
